A) RFQ Process

Oman Tower Company would like to invite you to participate in this RFQ.

- Offers must be submitted to procurement@omantowerco.om before the submission deadline.
- Clarification queries must be submitted to the same email address at least 1 working day before the bid submission deadline.
- Offers must be valid for at least 30 days.
- This RFQ and its content shall be considered Confidential Information under the relevant NDA.
- OTC will first check the compliance of the technical offer to the scope of work, then consider delivery time, then award the work to the compliant bidder with the lowest price.
- This RFQ does not commit OTC to award any work.
- Oman Tower at its discretion is not bound to award to the lowest bidder.
- Bidders shall fill in their quotes in the schedule of price "Page 2"

B) Scope of Work and Technical Requirement

This RFQ is required to procure the following maintenance equipment for OTC. The listed items will support ongoing operations and maintenance activities. Suppliers are requested to provide quotations for the equipment as per the specifications outlined below:

A. Pro 400, 3/4" Industrial Ratchet (Dual Scale)

- Deep socket included:** 12-19
- Torque Range:** 80.00 - 400.00 N·m

B. Earth Tester

- Measurement Range:** 0 Ω to 2000 Ω
- Earth Voltage:** 0 to 30.0 V rms

C. Gauge: Elcometer 456 Separate Coating Thickness Gauge (Ferrous)

D. Digital Calipers

- Measurement Range: 0-150 mm

C) Technical Evaluation:

1. Compliance with specifications:
 - a. Equipment must meet all technical specifications listed in the scope of work.
 - b. Confirmation of Certification of Calibration for measurement tools.

D) Commercial Evaluation:

- Award the work to the Technically compliant bidder with the lowest price.

E) Delivery Period

- The Bidder shall deliver the requirements within 5 working days from the issuance of the Purchase Order.
